

## PRESS RELEASE

### **“ARGAAM” New financial portal be launched**

Alpha Data selected to deploy Complete IT Infrastructure

**For Immediate Release**

**March 12, 2007**

The rapid growth of financial markets in many GCC countries has led the investors to search for reliable information online to answer their questions and keep them alert to upcoming opportunities. ARGAM Business Information has made available online, a large amount of information and tools for stock traders, hosted through Alpha Data.

Argaam web portal will give visitors an access to valuable information and full coverage to all GCC stock markets companies and their profiles. It aims to provide individual investors and corporate in the Middle East with innovative investment tools where they can have access to the latest financial market news, stock market researches, financial statements, sectors analysis and IPOs.

“The solution is an integration of various IT infrastructure such as servers, storage, backup, security, hosting and managed services to provide a total solution. We have provided a comprehensive solution keeping in mind the customer’s requirement for IT Infrastructure which is, highly available, adaptable and easily manageable” said Gigi George, Enterprise Solutions Product Manager from Alpha Data. “We have integrated state of the art technologies from HP, Microsoft, Juniper, Outpost24 and are responsible to manage the entire setup on behalf of the customer. Argaam has shown their confidence in our abilities from consulting, to implementing and supporting their total IT infrastructure.” he added.

"Our mission is to provide a comprehensive online tool to individuals, who wish to invest in GCC stock markets. We are committed to give our customers the support and awareness they need with regards to stock market information. Our technology selection was therefore of vital importance." said Mr. Tariq Al Asiri, General Manager of Argaam Business Information.

"We were looking for a company that could provide us all the required services under one roof. We have chosen Alpha Data for its strong reputation built on a 25-years history of skills, leadership, proven technologies and unique solutions. Alpha Data has assisted us to realize our vision and to present high levels of service for our customers." said Mr. Khurram Khan, IT Director, Argaam.
